**Outer Carton:** 20

#### Product information

The PW3 Hi-Vis Overhead Jacket is designed with both comfort and protection in mind. Crafted from Portwest Extreme stretch soft-touch 3-layer (3L) fabric, it is waterproof, windproof, and breathable, ensuring the wearer stays dry in all conditions. Certified to EN343 Class 4:4, this jacket features a 2-way centre front zip, ventilation panels in all pockets for enhanced breathability, a long access zipper, a removable helmet-compatible hood with a shaped peak and 3-point adjustment system, adjustable cuffs, and an extended back length for added dirt protection. A must-have in the PW3 collection.

#### PW3 New Energy

Tuning into market trends, customer feedback and our inbuilt desire to create something better every working day, has led us to the production of next generation PW3 products. While remaining faithful to the original design signature, we have injected a new lease of life into what is already one of our most popular collections. Improved fit, more technical fabrics, industry inspired features, improved layering possibilities offers even more flexibility and wearer comfort.

#### High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
